Development of Moldasses Industry

2123. SHRI SHIV PRATAP MISHRA: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Government are taking any measures for the development of molasses industry to generate more employment in rural areas;

(b) if so, what are the details thereof; and

(c) if not, what are the reasons therefor?

THE MINISTER OF PETROLEUM AND CHEMICALS (SHRI M. S. GURUPADASWAMY): (a) and (b) Molasses is the by-product in the manufacture of sugar. As such, development of molasses industry is directly linked with the sugar production in the country.

Government is encouraging setting up of downstream units for the use of molasses while granting licences for new sugar factories. This would generate employment opportunities in the rural areas.

(c) Does not arise.

Bribery to doctors by multinational drug companies

2124. SHRI KRISHNA KUMAR BIRLA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government's attention has been drawn to the report which appeared in the Telegraph dated 27th June, 1990, alleging bribery to the doctors by multinational drug manufacturers to push up the sales of their products; and

(b) if so, what is Government's reaction thereto?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI RASHEED MASOOD): (a) Yes Sir.

(b) The Government have not received any report of allegations made in the press against multinational.

While WHO has compiled a list of 300 and odd essential drugs which may serve as guideline for different countries to formulate their own essential drug list based on disease pattern, WHO has not claimed this list as absolute and covers drugs for all diseases.
